Career Opportunities

Be a part of supplying the electric and water needs of a rapidly growing community by considering a career with Riverside Public Utilities (RPU). With over 440 employees, we're comprised of four divisions: Water, Energy Delivery, Finance/Customer Relations and Resources.

RPU offers a wide array of career choices from entry level to professional. Depending on your area of interest, there are a number of career paths available to you. For example, start out as an Engineering Aide, and your career path could include advancement up to a Senior Engineer at a higher salary. We have many careers to choose from, and offer challenging and fulfilling opportunities.

The Position

Engineering Aide This is an entry level position in which the incumbents work is predefined, and does routine tasks not requiring previous specialized experience. Work assignments are technical tasks that are limited in scope and support technical and project management functions.

Senior Engineering Aide This position is at the journey level in which incumbents perform moderately complex work requiring further para-professional engineering work experience and formal training. Work assignments involve full responsibility for routine projects that are limited in scope and increasing responsibility for a variety of moderately complex projects involving independent investigation and study, responsibility for completion of work orders, and responsibility for resolving field problems.

Benefits

Employees of the City of Riverside are eligible to receive a comprehensive benefit package consisting of Medical and Dental prepaid plans. Additional benefits can include:

- Educational Reimbursement Plan
- Training Opportunities
- Sick Leave
- Vacation Time
- Two Deferred Compensation Plans
- A Flexible Spending Plan For Out-Of-Pocket Expenses
- Life Insurance
- Long Term Disability Insurance
- Vision Coverage
- Dependent Care Options

- 11 Paid Holidays
- Public Employees Retirement System
2.7% @ 55-Years-Old

For a complete listing of the many benefits available to City of Riverside employees check out our Web site at: www.riversideca.gov Click on Human Resources.

Riverside Public Utilities operates in a dynamic, historic community that offers its residents a wide selection of things to do. Whether it's a visit to the renown Mission Inn, or the City's numerous parks and museums, there's plenty to choose from. The city is also an important financial and judicial center in the Inland Empire, with a large and diverse economy that has the largest number of jobs and businesses within the region.

Educational Requirements

Any combination of experience and education that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Engineering Aide

Education: Equivalent to completion of twelfth grade including or supplemented by course work in mathematics and in computer aided and manual drafting.

Experience: None required.

Senior Engineering Aide

Education: Equivalent to completion of twelfth grade supplemented by the equivalent of 15 semester units in engineering and mathematics from an accredited college or university.

Experience: Three years of para-professional drafting/design, office, and engineering field work. An Associate Degree in a related field may substitute for one year of the required experience.

What some of our employees have to say...

"If you want a challenging and a rewarding career in the utility industry with many opportunities for advancement, Riverside Public Utilities offers it all. We're located in the City of Riverside, California one of the fastest growing cities in the nation, an area that's a toasty 69 degrees Fahrenheit in the winter!"

Cesar Ancheta

Interim Principal Engineer

"As a 20-year employee of the City of Riverside Public Utilities, I have seen the utilities grow to meet the continuous demands of the community. I have also been fortunate enough to take advantage of the city's educational program and have been given many opportunities to advance in my career. The City of Riverside Public Utilities is a wonderful place to work."

Rita Nicks

Customer Service Supervisor

"I've been working for RPU for over 15 years and it's been a great opportunity. The job is very satisfying and it's a good place to work. These are great people to work for and great people to work with."

Lee Sheppard

Power line Technician
